1982 Logistics Conference

Tom,

16 JULY 82

Generally speaking, the meeting is a good idea. It will re-emphasize the importance of the Safety and Health Program and the annual reporting requirement. However, a meeting at this time (mid-year) will probably result in an incomplete report necessitating an update for the Feb 83 submission of the annual report.

The meeting is excellent for establishing goals for FY 83, hopefully from each of the most affected areas; RPD, CD, RECD & LSD.

Evelyn
